K-Grade 8 campers must register for the Field Trip by Thursday of the previous week. There is not an on-campus option for K-Grade 8 students on Fridays if not attending the Field Trip.

HOW TO PLAN THE BEST SUMMER EVER!

- Download our camp planning worksheet at campheritageoak.org
- Look at the list of Specialty Camps offered within this brochure. Does your child need some academic support over the summer? Does he/she have a special interest in technology, cooking or art? We have planned an array of four- and eight-day (M-TH) Specialty Camps to fit a wide range of interest levels and academic needs. More details on each camp are listed at campheritageoak.org
- Once you have determined which Specialty Camps you would like your child to attend, fill in the remaining weeks with Main Camp. Main Camp occurs throughout the entire summer and features swimming in our on-campus pool*, S.T.E.A.M. activities, sports, arcade time*, and more! See the camp calendar above for highlighted activities each day.

- REGISTER! Go to campheritageoak.org to register online!
- Plan your child's lunches. Campers may bring lunch from home or purchase from our lunch caterer. For more details about lunch options, please visit www.caterbots.com.

MAIN CAMP!

Kindergarten–Middle School

DAILY ROTATIONS

Visit campheritageoak.org to see a sample schedule for your child's grade level.

FIRST DAY OF CAMP
JUNE 19TH

Each week, children entering Kindergarten through Grade 8 jump into action during Main Camp as they participate in exciting activities and games, become involved in performing and creative arts, spend time in our pool and water park, participate in a unique daily event, and learn about kindness and leadership. Our Daily Rotations add fun and variety to each day. See the enclosed calendar for highlighted Main Camp activities (subject to change).

TRAIL BLAZERS

Campers will have so much fun participating in leadership activities that they won't even realize they're sharpening their communication, confidence, and collaboration skills.

COMPETITORS CHALLENGE

We'll keep campers moving and strategizing in our on-campus arcade where they will play video games and build friendships through timed challenges! This rotation also focuses on teamwork and coordination through sports activities.

WATER WORKS

Fun challenges and free-play in our on-campus pool* and water park will keep campers cool and energized each week.

*Pending local COVID guidelines

ART 360

Art is more than just painting and drawing. Campers will be provided with different mediums and projects to keep the inspiration going all summer long. Special activities include video editing and creative cartooning.

STEAM SPOTLIGHT

Our campers will have a blast using Science, Technology, Engineering, Art, and Math to help them with fun challenges and games. Campers will ask questions, design, and develop ideas that will help them solve the toughest of problems.

EXPERIENCE AWESOME

Go-karts? Great! Dunk Tank? Sounds fun! Always fresh, always fun, anything goes during this exciting activity block which will bring new energy to our camp each day. See the enclosed calendar for details.

Preschool and Pre-K

Our Preschool and Pre-kindergarten campers have two options to choose from. The first is Main Camp which takes place every day and features our exciting "Experience Awesome" daily activities! Main Camp offers exploration centers, language, writing, math, art, science, and technology. The week closes for all campers with FRIDAY WATER PLAY at our on-campus splash pad! The second option is our Specialty Camp program. Specialty Camps are held Monday through Thursday for three hours each day and allow children to explore a particular subject in greater detail. Our Preschool and Pre-kindergarten programs are available to children aged 2.5 through 4 years old, and all students must be fully potty trained in order to participate.

FREE EXTENDED CARE

7:30am-9:00am and 4:00pm-5:30pm

SPECIALTY CAMPS: MONDAY-THURSDAY

A variety of Academic and Enrichment Camps are available to round out your child's summer! Specialty Camps run Monday-Thursday from 9:00am-12:00pm or 1:00pm-4:00pm, and camps last for four days unless otherwise noted. Campers may stay for lunch if they are registered for an AM & PM Specialty Camp. Visit campheritageoak.org for in-depth descriptions of each camp and for new camps that have been added since brochure publication.
